The screenshot shows the Iplanrio website interface. At the top, there's a header with the site name and a logo. Below the header, a navigation bar includes a user greeting 'Olá, Visitante!' with a login link, a search bar, and two main promotional banners: 'Cursos' (Courses) and 'Acesse sua carteira' (Access your wallet). The 'Cursos' banner features the 'Oportunidades Cariocas' logo and an illustration of a person studying. The 'Acesse sua carteira' banner shows a digital wallet card. Below these banners, a 'Serviços' (Services) section displays four categories: 'Saúde' (Health), 'Segurança' (Security), 'Trabalho' (Work), and 'Cultura' (Culture), each with a representative icon. At the bottom of the page, a cookie consent banner is visible, stating that cookies are used for site functionality and personalization, with 'Rejeitar' (Reject) and 'Aceitar todos' (Accept all) buttons.
